

HELLO!

Jesse and Tessa

We are Jesse and Tessa. We have been married for 7 years, a couple for 10 years and have known each other for over 15 years. We love laughing together and raising our family is our greatest joy! We are each other's biggest supporter and closest friend. We are so excited to bring another little one into our family.

We are a family of four with two daughters by birth, Paige who is 5 and Lucy who is 2. We both grew up in B.C. and just love that we get to raise our family here where there is so much nature and great community. Adoption has been close to our hearts for a long time, and during the past few years we knew we wanted to continue growing our family this way. Our girls adore each other and will shower their new sibling with so much love. We have cousins, friends, and friends with children who have been adopted both locally and internationally, and we are thankful to have such a supportive community to share with a child!

Our favourite things...

We own a home in a fantastic community. We have a big yard space with a great playground and basketball/hockey court next door that our neighborhood kids all love! As a family we love spending time outdoors, at the beaches and exploring trails. We enjoy daily family walks, swimming, living room dance parties and jamming to music on piano, guitar and drums in our house!

One of our favourite places is our family beach cabin in Washington, USA. pictured below.

"Jesse is steadfast and loyal, has a great sense of humour and is adored by all of his girls. His artistic talents include animating cartoons for a children's TV studio, drawing and playing music in his free time. He is an encourager and loves us so well!" -Tessa

"Tessa is such a caring, loving and nurturing Mom. She is an amazing teacher and plays guitar for her students, and creates a joyful atmosphere that everyone loves to be around. She is an amazing listener."
-Jesse

You and your baby matter so much to our family. We want to honour you and your wishes for openness. We so appreciate you taking the time to read about our family!

Thank you!
